VICTORY DINNER MARKS END OF CHURCH'S DRIVE

Members of the First Christian Church of Torrance are planning to celebrate the conclusion of their three-year "Crusade for a Christian World" with a victory dinner following the worship service Sunday, June 25. A committee under the chairmanship of Art Bennett has been making plans for the event.

Members are receiving small coin containers which they will fill and return at the Victory Dinner celebration. By each member putting aside a few cents each day for the next month, a victory donation from the local church is assured.

Christian churches everywhere have set as the goal for this crusade \$14,000,000 to be raised by the end of June, 1950. Beneficiaries include the babies

Mesmerism Is Science Topic

"If God be for us, who can be against us?" This question from Romans will be the Golden Text of the Sunday lesson in all branches of the Mother Church, the First Church of Christ, Scientist, in Boston. "Ancient and Modern Necromancy, alias Mesmerism and Yodaism, Debauched" is the subject.

A Bible story from Luke reports: "In the synagogue there was a man, which had a spirit of an unclean devil, and cried out with a loud voice, saying, Let us alone; what have we to do with thee, thou Jesus of Nazareth? art thou come to destroy us? I know thee who thou art; the Holy One of God. And Jesus rebuked him, saying, Hold thy peace, and come out of him. And when the devil had thrown him in the midst, he came out of him, and hurt him not." Mary Baker Eddy declares in "Science and Health with Key to the Scriptures": "No person is benefited by yielding his mentality to any mental suggestion or magnetism. The entire Christian Scientist is adding to his patient's mental and moral power, and is increasing his patient's spirituality while restoring him physically through divine Love.
